Double the Heat
Releases December 1, 2009

Ohio Local Author Lori Foster has a new release!

Sizzling all-new stories, including a brand new Winston novella from New York Times best-selling author Lori Foster.

New York Times best-selling sensations Lori Foster and Deirdre Martin and USA Today best-selling au-

thors Elizabeth Bevarly and Christie Ridgeway join together for this enticing anthology. With authors like this, readers get double the pleasure and double the heat. In these four sexy stories of mixed-up couples and mistaken identities, it's not about winning, but how

much you like to play.

With a brand-new novella featuring Hart Winston, whose switch with his identically hot twin brother has landed him in some serious foul play, it's a safe bet that in the game of love no one is going to follow the rules.

One of our Favorite Local Authors has a new release in E-book format: Mandy Roth!

Instead she's got a sleazy, sexually harassing boss who treats her like a piece of meat and doesn't know the meaning of "no!" Victoria can't afford to lose her job. Where's her fictional horny vampire, coming to her rescue so he can

rock her world? If only they were real...

Phillip Ruth does his best to pass as human. He's managed to carve out a name for himself as a successful businessman by controlling his otherworldly blood lust. But the day he crosses paths with Victoria, lust isn't the only thing he's feeling. As

the sparks fly, he finds he'll do anything to make her his.

Trust in the Season

Ebook Format Only!

E-Book Format Only!

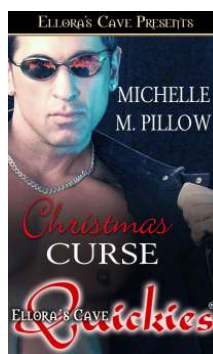

About This Book:

Megan's been telling her friend Victoria for years that she's cursed. Christmas cursed! Every year she celebrates Christmas, something bad happens—broken bones, chicken pox, house burning down. After agreeing to finally go home for the holidays, she's not surprised when her all-too-sexy boyfriend breaks up with her—and by note, no less!

Sean doesn't believe in curses, but his girlfriend does. It's her one fault. In all other ways Megan's perfect, from her interesting mind to her gorgeous body. And the sex? HOT. But because she's convinced something bad will happen, he's not surprised when she

leaves for the holiday without him. Convincing Megan she's not cursed may take some creative “maneuvering”, but Sean plans to make sure he turns her holiday luck around.

A fantastic paranormal release from a Dangerous Women Author!

Assistant DA Erin Jerome has a secret. Make that two. One: She's not entirely human—she's Other, desperately trying to keep her supernatural strength under wraps. Two: she's got a killer stalking her—an Other rogue set on “gifting” her bloody corpses, not to mention nights lying awake in terror. Small wonder she's been having bad luck with men.

But the bounty hunter on her new case isn't worried about any of that. Jude Donovan is a shapeshifter himself, and the new DA's midnight hair and addictive scent tell him all he thinks he needs to know: She's gorgeous, she's definitely not human, and she's bringing out the animal in him in a really good way. He might have to track a psychotic Other stalker through half of Louisiana. But he might also get the chance to watch Erin's wild side come out and play.
